We respectfully request that Clark County rezone our neighborhood of 15 lots, Country View Estates, from AG-20 to one acre residential lots. This neighborhood was created by the county in 1987 as a cluster development in an AG-20 zone. It is no longer a cluster. The remainder lot has been annexed by the City of Camas and is currently under development as a residential subdivision. This neighborhood currently resides outside of the urban growth boundary and we wish for our neighborhood to continue to remain outside of it.

Rezone requests are considered only once every 10 years by Clark County during the periodic Comprehensive Plan Update cycle.
