If you want the Holden Beach Board of Commissioners to evaluate ALL viable options to SAVE THE PIER and are against the demolition of this historic landmark, please sign this petition. We will share our results at the Feb. 29th special meeting.

The Holden Beach Fishing Pier is a historic landmark and should be preserved, restored, and reopened. The recreational and economic impact this facility has on our local area has been proven by research studies and public input. Since the current town board of commissioners have suggested that demolishing this structure is an option, we need to work together to come up with a plan to SAVE IT!
