The **Blue Ridge Business Association** is requesting your support to sign this petition to urge the Blue Ridge City Council to put a prioritization to address a serious public health issue facing our beautiful city. The shortage of public restrooms in our city is a serious issue and causes additional costs and liabilities for our local businesses. In addition, the image of Blue Ridge is tarnished by the overcrowding, limited ventilation and availability to our wonderful tourists supporting our local economy.

A February 16, 2024, article from Medriva.com concluded the following:

The lack of adequate public restroom access in the U.S. is a serious public health issue that needs urgent addressing. It requires not only a change in societal attitudes and policies but also the active participation of individuals, communities, and businesses. By acknowledging the problem and taking proactive steps towards enhancing restroom infrastructure, we can ensure better health and quality of life for all.
